# 3<sup>rd</sup> NATIONAL CONFERENCE & CME CUM WORKSHOP ISRPTCON 2011 JAMMU

WELCOME

**Dear Friends & Colleagues**

It is a matter of great honour and pride for the Department of Pharmacology, Therapeutics & Toxicology, Govt Medical College, Jammu to host & organize a prestigious National Conference and CME cum Workshop of Indian Society for Rational Pharmacotherapeutics with the theme "***Bridging Clinical Medicine with Rational Pharmacotherapeutics***" at Govt Medical College, Jammu on **25<sup>th</sup> - 27<sup>th</sup> November, 2011**.

This Conference and CME cum Workshop shall place emphasis on the understanding of rational use of medicine by everyone who is involved in use of medicines. This conference shall provide opportunities to doctors to interact with eminent national personalities across the country and shall give everyone a guidance and vision to teach and train UGs & PGs in rational, evidence based, interactive, integrative, patient specific, problem based learning & help them become prescription competent and confident.

It is a matter of immense satisfaction to note enthusiasm of the delegates. We hope that the scientific contents of the 3<sup>rd</sup> Annual Conference of Indian Society for Rational Pharmacotherapeutics will satiate the academic interests of the delegates and they would certainly enjoy the memorable glory, ecstatic beauty and euphoric hospitality of Jammu.

*I welcome you all to ISRPTCON 2011 Jammu*

*With thanks and warm regards*

**Dr. Zahid Gillani**

**(Organizing Secretary-ISRPTCON 2011)**

Prof. & Head

Department of Pharmacology, Therapeutics and Toxicology

Govt Medical College, Jammu

## "BRIDGING CLINICAL MEDICINE WITH RATIONAL PHARMACOTHERAPEUTICS"

WELCOME

### Dear Friends & Colleagues

It is a matter of great pride for the local organizing committee to hold prestigious **3<sup>rd</sup> Annual Conference of Indian Society for Rational Pharmacotherapeutics** at Jammu. The overwhelming response & ensuring wide participation of eminent faculty and delegates has given us further encouragement. The delegates shall be treated to intensely stimulating, thought provoking and academically enriching scientific sessions and wide interaction to satiate their academic craving interspersed with refreshing & relaxing cultural, musical programmes and an arranged trip to Mata Vaishno Devi Shrine for all willing delegates. The delegates can avail the tour and sight seeing facility to enrich themselves with finer details of the city and its surroundings.

The organizing committee shall put its best foot forward to make your stay comfortable and enjoyable and shall strive to keep up the tradition of hospitality of J&K.

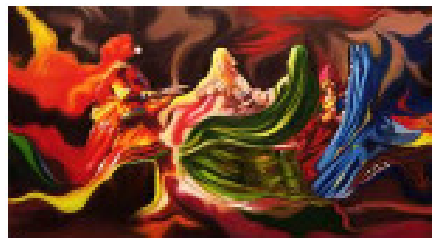

We wish to express our sincere thanks to National Executive Committee of Indian Society for Rational Pharmacotherapeutics, our Patron, state Govt & National Advisors for ensuring constant help and guidance.

"We welcome you all to **ISRPTCON 2011** in the *City of Temples-Jammu*."

Jammu

## 3<sup>rd</sup> NATIONAL CONFERENCE & CME CUM WORKSHOP ISRPTCON 2011 JAMMU

### ABOUT ISRPT

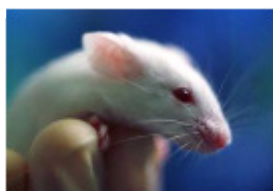

The Society was founded in New Delhi in 2007 by a group of about 20 pharmacologists. They were brought together on the initiative of Dr. Harmeet Singh Rehan, Dr. KK Sharma, Dr. CD Tripathi and Dr. YK Gupta. To decide the future course of the functioning of the society, all the Clinical Pharmacologists of the Delhi and NCR region were invited in the office of Dr. CD Tripathi, Head, Department of Pharmacology, Vardhman Mahavir Medical College, New Delhi. Dr. Uma Tekur, Dr. SK Maulik and others welcomed this initiative. Letters regarding this Society were sent to most of the Heads of the departments of Medical Institutions. Response was encouraging. It was agreed that a Society should be formed to meet at least once a year for the reading of papers on pharmacological subjects related to Basic Pharmacology, Rational Pharmacotherapeutics and promoting safe and cost effective use of medicines in the community. A provisional committee, consisting of the persons who pioneered the idea together with Dr. Harmeet Singh Rehan, as Secretary was appointed and requested to draft constitution and rules related to the conduct of the activities of the Society. Draft of the constitution was approved. Proceedings to get it registered with Registrar of the Societies and also create a website to give wider publicity to the Society were undertaken. The society proliferated in a very short time to more than 500 members presently from across the country. First National Conference of the Society, was organized by Dr. R.K. Jha, Prof. & Head, Department of Pharmacology, Datta Meghe Institute of Health Sciences, Sawangi, Wardha, Maharashtra in February 24-26<sup>th</sup> 2010. Second National Conference of Society was an International Conference on Pharmacovigilance systems and Rational Use of Medicines: An Integrated Approach (26<sup>th</sup> to 28<sup>th</sup> November, 2010) was Organized by: Department of Pharmacology, Lady Hardinge Medical College & Smt. SK Hospital, New Delhi 110001, India.

### AIMS OF ISRPT

The aims of the Association are to develop clinical pharmacology and therapeutics in India by:

- Promoting the utilization of clinical pharmacological services in health care delivery
- Improving & harmonizing the teaching of the rational use of drugs at both UG & PG levels
- Contributing with clinical pharmacological expertise to policy decisions regarding drug regulation
- Organizing scientific meetings, workshops & courses in clinical pharmacology & therapeutics in India
- Utilizing the skills of clinical pharmacology & therapeutics in counteracting misuse of prescription drugs
- Promoting problem- and patient-oriented drug information for physicians and other health professionals
- Increasing the input of clinical pharmacological skills in the clinical evaluation of drugs
- Promoting high professional standards in drug discovery, development and prescribing
- Promoting high ethical standards in clinical drug research

## "BRIDGING CLINICAL MEDICINE WITH RATIONAL PHARMACOTHERAPEUTICS"

### About

### Department of Pharmacology, Therapeutics & Toxicology, GMC, Jammu

The Department of Pharmacology, Therapeutics and Toxicology Govt. Medical College, Jammu came into existence in the year 1973 when the 1<sup>st</sup> Batch of Medical students of Govt. Medical College, Jammu who were admitted at Govt. Medical College, Srinagar as guest students were transferred to Jammu. Initially the Govt. Medical College, Jammu functioned from barracks specially created for the purpose. Dr. J.D. Sharma was the 1<sup>st</sup> Professor and Head of the Department. He was later joined by Dr. R.K. Raina and Dr. V. Amla as Associate Professor and Lecturer respectively. The Department of Pharmacology shifted to its present location in 1980. The postgraduate programme in Pharmacology started in 1979 and this happened to be one of the first four M.D. programmes approved for Govt. Medical College, Jammu by the University of Jammu, started with intake of two postgraduate students per year. The programme has progressed since then and the department has been upgraded to its present status of Postgraduate Department of Pharmacology & Therapeutics and Toxicology imparting MCI recognized MD course (5 seats each year). The Department has so far produced 44 Pharmacologists, many of whom occupy prominent positions within and outside the state. The department has recently been granted ADRM Centre under PVPI of Ministry of Health and Family Welfare, Govt. of India. The department feels privileged to start daily **ADRM OPD** for the 1<sup>st</sup>. time to facilitate voluntary ADR Reporting of the cases from public domain. The department also started few community based projects in the form of **Drug Information Centre/ OPD**. The DIC OPD has not restricted itself only to provide information but has gone a step head in providing therapeutic advice/information to the needy. The basis of two OPD's i.e. DIC and ADRM is providing scientific, rational, evidence based, non-promotional information and therapeutic advices to ensure safe drug practices in the interest of health care. In addition to above mentioned goals these OPD's also serve the purpose of updating medical fraternity with medical advances going across the globe. The department has also taken a lead by starting **electronic library** which is the backbone of an Institution. In addition it serves the purpose of providing scientific evidence in the form of literature to the Medical fraternity. The department also has put forward its services for any post graduate/research scholar for advices on choosing research question, Medical/ Scientific writings and editing. The department feels satisfied in contributing to and ensuring research with moral, ethics and human values carried with in the institution by conducting IEC and AIEC meetings. The future vision is to work on and strengthen post-graduate research and generate high quality/ impact factor research from the department making the Department of Pharmacology citable across the globe and to start the Toxicology Information Centre. To include various innovative ideas in medical graduate and post graduate teaching programme and to develop Clinical Pharmacology Wing is also one of the departmental future strategies.

# 3<sup>rd</sup> NATIONAL CONFERENCE OF INDIAN SOCIETY FOR RATIONAL PHARMACOTHERAPEUTICS ISRPTCON 2011 JAMMU

## Registration Details

- To register for the conference, main conference registration form should be filled in correctly and payment to be made as Demand Draft.
- The completed form & DD should be mailed to conference secretariat address
- No other modes of payment are accepted, except for Spot-registration.
- Demand Draft of any nationalised bank should be payable favoring "ISRPTCON-2011 Jammu".
- Forms which are incomplete or without payment will not be accepted.
- Combined DD may be sent for Conference registration, pre-conference workshop & Accommodation
- Demand draft o has to be ma de as total amount whe doing registration making a choice & discussing the option with offical Accommodation /Tour & Travel Committee Incharge.
- Student delegates are required to submit proof of their status from their Head of the Department
- Delegates are privileged to attend all events and scientific sessions of the conference. They are entitled to receive souvenir/ kit and certificates of participation. Breakfast, lunch, high tea & dinner will also be provided to the delegates.
- Associate delegates are entitled to attend inaugural function, breakfast, lunch and dinner. No souvenir/ abstract book/kits will be provided to associate delegates.
- A receipt of registration fee shall be send by email and same shall be kept in kit.

## Details of Registration Fee

Category	Upto 31 <sup>th</sup> Aug	Upto 30 <sup>th</sup> Sept	Spot Registration
Member ISRPT	Rs 3000	Rs 3000	Rs 4000
Non-Member Delegate	Rs 3500	Rs 4000	Rs 4500
Associate Delegate	Rs 2000	Rs 2500	Rs 3500
PG Students	Rs 2000	Rs 2500	Rs 3000
CME cum Workshop	As above + Rs 1000	As above + Rs 1200	As above + Rs 1500
Foreign delegates	USD 150	USD 200	USD 250

PG students must attach a certificate from the concerned Head of the Department.

Only 100 candidates will be selected on first come first serve basis and they must be registered for the CME cum Workshop & Main Conference.

To encourage participation of Undergraduates, Interns & House Officers, they can register for all academic sessions of Conference at CME cum Workshop Rates Only. But they will not be entitled for any conference privileges

3<sup>rd</sup> NATIONAL CONFERENCE & CME CUM WORKSHOP  
ISRPTCON 2011 JAMMU

## Highlights of Work Shop Cum CME (25<sup>th</sup> November 2011)

### Workshop/CME Module-1

#### Scientific Paper writing

- Choosing a Journal for Valuable Research
- Indexing & Impact Factor of a Journal & Research
- Reviewing Scientific Literature
- Writing A Scientific Paper/Report
- CONSORT Statement
- Unethical Publication Practices & Irritants for The Editor
- Dealing with Referees Comment and Rejection of Paper

*Electronic Paper Submission-Live demonstration by Key Resource Person*

### Workshop/CME Module-2

#### Designing Problem Based Research Protocol For Thesis /Project

- Conception of Research Idea & Research Question
- Choosing First Dose & How to Decide Inclusion/Exclusion Criteria
- Bioethics Guidelines, RCT & Blinding of Study
- Phases of Clinical Trials
- Choosing Best Statistical test For Your Data
- Various Study Designs in Clinical Research
- Common Problems in Clinical Research -Scientific Tools to Overcome Them

*Hand to Hand Session-Problem based protocol designing Exercises already designed and circulated to delegates shall be presented and discussed by Key Resource person.*

### Workshop/CME Module-3

Problem Based Patient Specific Clinical Exercises-Bridging Clinical Medicine with Rational Pharmacotherapeutics

*Interactive Session-Exercises already designed and circulated to delegates shall be presented and discussed by Key Resource person with Multidisciplinary personals chairing the session*

### Workshop /CME Module-4

- Introduction to PVPI- Future Vision & Challenges
- Translational Pharmacovigilance
- ADR- Reporting

*Problem Based reporting-Filling up of the ADR form & Causality Assessment*

## 3<sup>rd</sup> NATIONAL CONFERENCE & CME CUM WORKSHOP ISRPTCON 2011 JAMMU

**Original Research Papers are Invited from any Subject**

### Guidelines For Oral Presentation

Only registered delegates will be allowed to participate  
Presentation should be on a CD/Pen Drive  
Presentation time 8 minutes.  
Facilities for LCD projector will be available at the conference venue.

**PRESENTATION ALONG WITH BRIEF BIODATA TO BE SUBMITTED ON OR BEFORE 1<sup>st</sup> OCT 2011.**

### INSTRUCTIONS FOR SUBMISSION OF ABSTRACT

Abstract must be structured as  
Title  
Name (S) of Author(S); Underline the presenting authors  
Affiliation, address, e-mail & Phone number  
Body of Abstract should contain Objectives, Methods, Results & Conclusion  
Word Count-250  
**A Hard copy + CD Copy and submission by e-mail is compulsory**  
It should be sent to Organizing Secretary at Conference secretrait

### Guidelines For Poster Presentation

An area of 4ft (height) x 3ft (width) will be available for each poster presentation.  
Poster authors are requested to be available by the side of their posters, for discussion.  
Poster display must indicate the title, name of the authors, aim of the study, materials and methods, result and discussion.  
Titles of charts, drawings, photographs must be readable from a distance of 2 meters, letters and numbers should be at least 12 mm (1/2 inch)  
Presentation must begin from left upper corner of the poster and proceed through the middle and finally on to the right.  
Poster may be stuck with double side tape, which will be available at the venue. Pins and thumb tags cannot be used.  
Posters should be put up before 9:00 am and can only be removed after 5:00 pm.  
Posters not removed by 6:00 pm will be discarded by the cleaning staff and will not be retained by the organizers.

**Best Oral/Poster Paper award will be announced during valedictory function  
For participation in the oral Award session, please send full text of manuscript  
Scientific Committee shall be the final authority to decide about selection of paper to be**

S-Single room;D-Double room;F-four bedded room

## "BRIDGING CLINICAL MEDICINE WITH RATIONAL PHARMACOTHERAPEUTICS"

### Weather in Month of November

It will be relatively cold weather and expected Temperature will be 20° to 24° Max and 12-15° Min. Delegates are advised to come with warm clothes

#### Mata Vaishnodevi

One of the most Religious & Hindu Pilgrimage destination in India, is located in the state of Jammu & Kashmir. Shri Mata Vaishno Devi Shrine is one of the oldest shrine of India, located at a height of 5300 feet on the holy Trikuta Hills of the Shivalik Hill Range. The Holy cave is 13 Kms from the Base Camp Katra. The Town Katra is 50 Kms away from Jammu.

#### Raghunath Temple

Situated in the heart of the city and surrounded by a group of other temples, this temple, dedicated to Lord Rama is outstanding and unique in Northern India. The inner walls of the main temple are covered with gold sheet on three sides. There are many galleries with lakhs of 'Saligrams'. The surrounding Temples are dedicated to various Gods and Goddesses connected with the epic Ramayana.

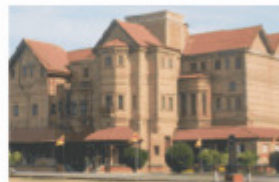

#### Bahu Fort

On the opposite bank of the Tawi river, on an upland plateau, is situated the majestic **Bahu Fort**, the oldest edifice extant in the region. It is a favourite picnic spot for the city folk beside temple inside.

#### Amar Mahal Palace

The **Amar Mahal Palace**, a sight to behold, is on an eyrie overlooking the Tawi river. This grand palace, with sloping roofs and tall towers, so characteristic of continental castles, reminds one of France. The palace has been converted into a museum which also houses the city's finest library of antique books and paintings. An entire series of miniatures on the epic Nal-Damayanti can be seen in the museum.

#### Mansar Lake

Situated 62 kms from Jammu, Mansar is a beautiful lake fringed by forest-covered hills, over a mile in length by half-a-mile in width. Besides being a popular excursion destination in Jammu, it is also a holy site, sharing the legend and sanctity of Lake Mansarovar. There are also some ancient temples on the lake's shores, which are visited by devotees in large numbers. Mansar lake is also ideal for boating.

## "BRIDGING CLINICAL MEDICINE WITH RATIONAL PHARMACOTHERAPEUTICS"

### Patnitop

112 kms from Jammu. This famous hill resort is perched on a beautiful plateau, at an altitude of 2024 metres across which the Jammu-Srinagar Highway passes. Enveloped by thickly wooded forests, Patnitop offers beautiful picnic spots, peaceful walks and breathtaking views of the mountainscape of the Chenab basin. In winter, the resort is generally covered with a thick mantle of snow thus providing opportunities for various snow games including skiing. It is the best developed tourist spot of Jammu .

### Sanasar

129 kms. from Jammu and only 17 kms. from Patnitop, Sanasar is cup shaped meadow surrounded by gigantic conifers. A place for a quiet holiday, the meadow has now been developed as a golf course. It also provides opportunities for para-gliding.

### Kashmir

Srinagar is located in the heart of the Kashmir valley at an altitude of 1,730 m above sea level, spread on both sides of the river Jhelum. The Dal and Nagin lakes enhance its picturesque setting, while the changing play of the seasons and the salubrious climate ensures that the city is equally attractive to visitors around the year .

Kalhana, the author of 'Rajtarangini', states that Srinagar was founded by Emperor Ashoka (3rd Century BC). The present city of Srinagar was founded by Pravarasena-II, and Hiuen Tsang, who visited Kashmir in 631 AD, found it at the same site as it is today.

### The Mughal Gardens

With terraced lawns, cascading fountains, paint-box-bright flowerbeds with the panorama of the Dal in front of them - the three Mughal Gardens of Cheshmahahi, Nishat and Shalimar are the Mughal Emperors' concept of paradise and are today very popular places for picnics and excursions.

### Leh - Monuments

Sightseeing of the historic monuments and major Buddhist gompas (monasteries) are the main attractions of Ladakh. The Indus Valley, particularly from Upshi down to Khalatse, starting with Leh. A few kilometres up the Indus is Shey Palace, the most ancient capital, with its palace and temples. Down river, Basgo, right on the road, and Tingmosgang, both served as royal capitals when the Old Kingdom was temporarily divided into two parts in the 15th century.
