#### Dr Sonika Kanotra Publication:-

- 1) Landmarks for facial nerve identification in parotid surgery
- 2) Surgical Anatomy of Rec laryngeal nerve
- 3) Landmark for identification and location of parathyroid glands during thyroid surgery

#### **Dr Kamal Kishore Publication :**

- 1) Pattern of Sensorineal hearing loss patient attending ENT-OPD
- 2) One Stage Posterior canal wall reconstruction with cochlear cartilage in cholesteatom surgery
- 3) Comparative study of effectiveness of dexamethsone injection aftyer ORIF in mandible
- 4) hearing loss in Jhalasemic children on chelation therapy
- 5) Impact of site, size and iuration of tympanic membrane perforation on hearing loss and post surgical outcome

#### **Dr Om Parkash Publication**

- 1) Pattern of benign lesions of larynx
- 2) Tympanoplasty with or without cortical Mastoidectomy
- 3) Comperstive evaluation of surgical modalities in cases with obstructive sleep apnex syndrome
- 4) Pattern of occurrence of primary head and neck cancers in jammu city
- 5) Post Tympanoplasty hearing assessment by pure tone audiometry
- 6) Hearing loss and the effect of levothroxine hormone therapy on hearing loss in patients with hypothyroidism.

#### **Dr Gopika Kalsotra Publication**

- 1) Hearing loss in school age children
- 2) A Prospective study of Audioloizical manifestation in patients of allergic rhinsits
- 3) A study to grade the severity of tinnitus and its psyclosocial impact usng tinnutis functional
- 4) Heritosis its audiology and psychosocial impact
- 5) Impact of site, size and duration of tympanic membrane perforation on hearing loss
- 6) A clinical study to evaluate the role of vitamin D3
