## 1. INTRODUCTION OF THE ETHICS COMMITTEE

Institutional Ethics Committee, Government Medical College Jammu (IECGMCJ) constituted for discussion and approval of institutional/ collaborative research projects with respect to safeguard dignity right safety and well being of all research participants and to ensure that the research is carried under prescribed guidelines.

"Institutional Ethics Committee, Government Medical College Jammu (IECGMCJ) is constituted and operates as per ICMR guidelines, Schedule Y and ICH-GCP"

Head of the Institution Govt. Medical College, Jammu as per the new guidelines has constituted IEC GMC Jammu vide PMC Order Number GMC/PS/Committee/3136 Dated 11-06-2013.

## 2. <u>BASIC RESPONSIBILITIES OF ETHICS</u> <u>COMMITTEE</u>

- > To ensure the competent review and evaluation of all ethical aspects of research projects received in an objective manner.
- > To protect the safety, rights and well being of the potential research participants.
- > To conduct scientific evaluation and ensure technical appropriateness of the proposed study.
- To ensure that universal ethical values and international scientific standards are expressed in terms of local community values and customs.
- > To assist in the development and the education of a research community responsive to local health care requirements.
- Creation, developing revising and implementing ethical guidelines (SOPs)

## 3. SOPS OF INSTITUTIONAL ETHICS COMMITTEE

# **3.1** Establishing and Constituting the Institutional Ethics Committee

#### PURPOSE

To establish and constitute the Institutional Ethics Committee for GMC, Jammu as per ICMR Guidelines, Schedule Y and ICH-GCP

#### RESPONSIBILITY

Principal & Dean (Head of the Institute) is responsible to initiate the process of constitution of Institutional Ethics Committee.

#### **PROCEDURE-**

- Principal & Dean will select and nominate the Chairman (from outside the Institute) and member Secretary (from Institute) for IEC, GMC, Jammu.
- > IEC will be constituted by the Principal & Dean in consultation with the Chairman.
- Principal & Dean will invite the members to join ethics committee by sending the official request letter (Document-1)
- Member will confirm their acceptance to the Principal & Dean by providing all the required information for membership (Document-2)
- Principal & Dean will designate and instruct Chairman of IEC or his representative to conduct the regular proceedings of IEC for the institute
- Principal & Dean will review the function of IEC at regular interval

## **3.2 Procedure for appointing members for the IEC**

#### PURPOSE

To appoint suitable members for the IEC, GMC, Jammu

#### RESPONSIBILITY

Principal & Dean (Head of the Institute) and Chairman are responsible for implementing this SOP.

#### PROCEDURE

Principal & Dean in consultation with chairman will nominate the members of IEC, who have the qualification and experience to review and evaluate the scientific, medical and ethical aspect of proposed study.

The regular members of the committee will include at least 7 individuals. Current committee is as follows:

- 1. Three persons from basic medical science area
- 2. Three persons from clinical side
- 3. One social scientist/ representative of non-governmental voluntary agency/ philosopher/ethicist/theologian
- 4. One legal person
- 5. One lay person from the community
- 6. Whenever required the expert person on particular subject would be invited.

## **3.3 Training of IEC members**

#### PURPOSE

All IEC members are conversant with Guidelines for Research involving Human Subjects

#### RESPONSIBILITY

A team of trainers chosen for this purpose by Member Secretary will ensure that new members get trained with in fortnight after being inducted

#### PROCEDURE

All IEC members will be made conversant with ICMR Guidelines for Research involving Human Subjects 2006, Schedule Y of Drugs and Cosmetics Act and ICH-GCP guidelines

S.No	Session Topic	Facilitator	Time period
1.	Roles & responsibilities of IEC and its members	Member Secretary	1 hour
2.	Discussion on regulatory guidelines on IEC	IEC member nominated by Member Secretary	2 hours
3.	Interactive session	With at least two members nominated by Member Secretary	2 hours

#### Training schedule for new members of IECGMCJ

Additionally Institutional Ethics Committee will hold retraining for all the members of IEC once in 6 months for 2-3 hours on the topics listed in the above table

## **3.4 Term of appointment, Policy for removal or Resignation/ Replacement of members**

#### PURPOSE

To establish polices for removal or Resignation / Replacement of members

#### RESPONSIBILITY

Chairman and Member Secretary are responsible for implementing this SOP.

#### PROCEDURE

Term of appointment Members of IEC will be appointed for period of 2 years initially which could be extended for another term of 2 years. Extension of membership will be based on the recommendation of the Chairman & Member Secretary of IEC.

#### Policy for removal of member

- ➤ A member may be relieved or terminated of his/her membership in case of conduct unbecoming for a member of the Ethics Committee.
- > Inability to participate in the meetings on any grounds for more than 3 meetings of IEC.
- The membership shall be reviewed by the dean & chairman, if the member is a regular defaulter.
- If deemed necessary, the IEC may decide to terminate the membership and recommend to the Chairman IEC for necessary action.
- In all such situations/circumstances, member secretary will serve a letter of termination to the member.
- Documentation of the termination will be recorded in the meeting minutes of the next duly constituted IEC meeting and IEC membership circular/roster will be revised.

#### **Resignation / Replacement procedure**

The members who have resigned may be replaced at the discretion of the appointing authority for the same.

IEC members who decide to resign must provide the Chairman & member secretary of IEC the written notification of their proposed resignation date at least 30 calendar days prior to the next scheduled meeting.

In case of resignation, chairman & member secretary would appoint a new member, falling in the same category of membership ex. NGO representative with NGO representative.

## **3.5 Procedure for convening and conducting IEC meetings**

#### PURPOSE

To hold regular IEC meeting

#### RESPONSIBILITY

Chairman & member secretary are responsible for implementing this SOP

#### PROCEDURE

- The Member Secretary in consultation with the chairman may convene the IEC meeting once in every three month.
- > Additional review meeting can also be held with short notice as and when required.
- > All members will receive notification of meeting schedules in advance.
- A minimum of five persons is required to form the quorum without which a decision regarding the research would not be taken. The quorum would have at least one representative from the following group:
  - 1. One basic medical scientist (preferably one Pharmacologist)
  - 2. One Clinician
  - 3. One legal expert or retired Judge
  - 4. One social scientist/ representative of non-governmental organization/ Philosopher/ Ethicist/ Theologian or a similar person
  - 5. One lay person from the community.

Minutes of the IEC meetings, all the proceeding and deliberation will be documented.

> Applicant investigator may be invited to present the proposal or elaborate on specific issue.

## **3.6 Procedure for submission of research project**

#### PURPOSE

To submit a research proposal for review by IEC

#### RESPONSIBILITY

All investigators are responsible for implementing this SOP. All research proposals must be submitted in the prescribed application format, duly filled, along with all necessary documents

#### PROCEDURE

- Project investigator has to submit an application in prescribed format (Annexure 1) along with study protocol & other study related document necessary for review by IEC.
- > The following documents at minimum will be reviewed by ethics committee
  - Trial Protocol (including protocol amendments)
  - Patient Information Sheet, Informed Consent Form and Patient dairies (including updates if any) in English and/or vernacular language.
  - Investigator's Brochure and available safety information
  - Proposed methods for patient accrual including advertisement (s) etc. proposed to be used for the purpose.
  - Principal Investigator's current CV and any document evidencing qualifications
  - Insurance Policy / Compensation for participation and for serious adverse events occurring during the study participation.
  - Investigator's Agreement with the Sponsor.
  - Investigator's Undertaking (Appendix VII)
  - Any other documents that ethics committee may require to fulfil its responsibilities
- > All research proposals must be submitted in English language only.
- Application may be submitted to the office of member secretary, IEC GMC Jammu (minimum three hard copies along with electronic of the same) at least 7 days prior to the date of proposed ethics committee meeting.
- Receipt of application will be acknowledged by IEC office. [Form 3]
- > Every application will be allotted an IEC registration number to be used for future correspondence.

## **3.7 Procedure for initial scrutiny of proposal**

#### RESPONSIBILITY

Office of Member Secretary

#### PROCEDURE

- > Every proposal will be collected and complied by the IEC office
- Academic assistant will verify the proposal for completeness as per check list (Form-1)
- ➤ In case of incomplete data, the investigators will be informed by the office after consulting the Member Secretary to make the necessary correction and to resubmit the proposal.

### **3.8** Procedure for reviewing the research proposals

#### RESPONSIBILITY

All members of IEC are responsible for implementing this SOP. **Elements of Review** 

The submitted proposal shall be reviewed both for scientific content and ethical principles.

The committee members shall review the proposal with reference to the following:

- a. Scientific design of the study
- b. Justification/Rationale of the study
- c. Selection criteria for subjects
- d. Justification for use of placebo, if any
- e. Potential benefits to the study subjects
- f. Predictable risks to the study subjects
- g. Criteria for discontinuation/withdrawal of subjects
- h. Monitoring of serious adverse events
- i. Compensation to subjects for participating in the study
- j. Subject recruitment procedures
- k. Patient retention activities.
- 1. Compensation for study related injury
- m. Post trial benefits
- n. Protection of privacy and confidentiality
- o. Statistical analysis
- p. Informed consent document in English and regional languages
- q. Competence of investigators, supporting staff and infrastructure facility
- r. Approval of regulatory authorities wherever applicable

#### PROCEDURE

- Every proposal will be evaluated by IEC members on ethical issues as per ICMR Guidelines 2006 as amended thereafter, scientific soundness and technical excellence of the proposed research, before it is taken up for main IEC interview, on the same day.
- All members will evaluate the possible risks to the study participants with proper justifications, the expected benefit and adequacy of documentation for ensuring privacy, confidentiality and justice issue.
- The IEC review will be done through formal meetings and will not resort to decision through circulation of proposal.
- > Expert opinion of additional members would be obtained if necessary.

#### Summary of the procedure adopted

- 1. As per the routine adopted, <u>Approval of IEC should follow first before synopsis of</u> <u>thesis or any research project is submitted by the candidate for approval from board of</u> <u>study committee.</u>
- Every HOD should ensure that candidate undertaking <u>any kind of research on humans</u> (interventional/ non interventional/observational/investigational or any kind of study <u>directly or indirectly dealing with humans</u>) should submit a copy of protocol along with application and electronic version (in pen drive or can e-mail us at dicgmcjammu\_2010@yahoo.com) of the same in prescribed Performa, well in advance to member secretary for IEC approval.
- 3. Every candidate appearing before IEC should be directed to submit their presentation in electronic format well in advance to member secretary, which shall be circulated to all worthy members and chairman for reference well in advance.
- 4. The Certificate may be useful while publishing your valuable research in any of the Indian or International journal of repute and impact factor without producing IEC Number( applicable for all type of studies) and Getting registered in Clinical Trial Registry of ICMR- India quoting clinical trial number (applicable for Only interventional drug trials).
- 5. <u>The responsibility of not getting prior IEC approval shall otherwise lie with respective</u> <u>heads of department at the time of any ethical audit of the institution.</u>
- 6. <u>The research protocol need to categorized by the candidates AND PRESENTED</u> <u>ONLY IF FALLS IN CAT A.</u> CATEGORY –A (FULL REVIEW / PRESENTATION REQUIRED): presentation has to be made as per serial number or as decided by IEC Drug trials/studies Interventional Trials

Surgical or diagnostic procedure trials being carried for the first time in the institution other then the routine protocol New drug trials Trials on high risk population Not falling in cat B & C CATEGORY -B (EXPEDITED REVIEW/PRESENTATION OPTIONAL /BUT APPLICATION AND SUBMISSION OF PROTOCOL IN PRINT /ELECTRONIC FORMAT REQUIRED FOR RECORD)

#### **Expedited Review Procedures**

a. The committee may use expedited review procedure in case of minor changes/ amendments in the previously approved research proposal that appear to involve no more than minimal risk to the study subjects.

b. Under an expedited review procedure, the review may be carried out by the Chairperson of the committee, or by one or more experienced reviewers designed by the chairperson from among the members of the committee. The reviewers may exercise all of the authorities of the committee except that the reviewers may not disapprove the research.

c. The committee will keep all members of the committee informed of these approvals under the expedited review procedure.

d. Only the Chairperson and Member Secretary shall make the decision to allow an expedited review
